EHC needs assessments

SENDIASS is offering a free online session explaining Education, Health and Care (EHC) needs assessments. This session was co-produced separately with parents and practitioners and will explore:

- The purpose and threshold of an EHC needs assessment and when one might be requested;
- Why a local authority might refuse and what your options are;
- What happens if an EHC needs assessment is agreed and how you and your child are involved;
- What happens at the end of the process.

There will be approximately one hour of presentation with an additional 30 minutes for questions at the end.

The webinar is delivered live but not recorded live. If you register you will be sent a pre-recording of the webinar to watch at leisure, along with a set of additional resources.

31st January 2022 6pm – 7:30pm
