Language games to play at home

SENDIASS and the Specialist Education Service for pupils with speech, language and communication needs invite you to join us over a cuppa, exploring language games to play with your child at home.

This is the first in a series of relaxed online 'coffee mornings' (repeated in the evening) aiming to help your child with speaking and listening.

This session will focus on games to help develop listening and attention and was first offered in January 2021.

15th February 2022

10am – 11am
