

SEN Support for Pupils with Social, Emotional and Mental Health Needs

SENDIASS is offering a free online session for parents and carers explaining the graduated approach to SEN support for pupils with social, emotional and mental health difficulties.

This relaxed session will be supported by a lead teacher from the specialist education service for pupils with social, emotional and mental health needs.

The session will explore:

- The key principles of SEN support and whole class approaches;
- The 4 stages of the graduated cycle of support and how you and your child are involved;
- Examples of SEN support schools can reasonably offer;
- What happens if a pupil needs further support.

You don't have to use your video or mic in the session if you don't want to – you can just listen or use 'chat'.

2nd February 2022 10am – 11:30am
