## **SEN support for pupils with coordination difficulties**

SENDIASS is offering a relaxed online session for parents and carers explaining the graduated approach to SEN support and how this works for pupils in **mainstream schools** who have co-ordination difficulties.

An experienced Paediatric Occupational Therapist from the Integrated Community Paediatric Services will join the last 30 minutes of the session.

The session will explore:

- The key principles of SEN support and whole class approaches;
- The 4 stages of the graduated cycle of support and how you and your child are involved;
- Examples of SEN support in schools;
- What happens if a pupil needs further support.

Anyone who books will be sent a video of a pre-recording of the session afterwards, to watch at their own pace, and with family members.

**10th March 2022**

**10am – 11:30am**
