

SEN support for pupils with speech, language, and communication needs

SENDIASS is offering a relaxed online session for parents and carers explaining the graduated approach to SEN support and how this works for pupils with speech, language and communication needs.

This session will be supported by teachers from the specialist education service for pupils with speech, language and communication needs.

The session will explore:

- The key principles of SEN support and whole class approaches;
- The 4 stages of the graduated cycle of support and how you and your child are involved;
- Examples of SEN support in schools and how to help at home;
- What happens if a pupil needs further support.

Anyone who books will be sent a video of a pre-recording of the session afterwards, to watch at their own pace, and with family members.

21st March 2022 6pm – 7:30pm
