

Preparing for transition to primary school

SENDIASS is offering a free, relaxed online session for parents and carers in Suffolk to support you and your child with the transition from an early year's setting to primary school.

This session was coproduced with parents and carers and will be supported by a member of the LA Early Years and Childcare team.

We will explore:

- What information is helpful to find out from school
- What is helpful for you to share with school and what resources can help you to do this
- Ideas to help you prepare for the start of term
- Additional transition support for pupils with SEND

Anyone who books on will be sent a video of a pre-recording of the session afterwards, to watch at their own pace, and with family members.

7th April 2022 **12:30 – 2pm**
