

Comic Strip Awareness

SENDIASS is hosting a relaxed online session for parents and carers exploring how comic strip conversations can be used in school and at home to help children and young people develop social understanding.

The presentation will be delivered by specialist teachers from Suffolk's [Communication and Interaction Service](#). This is one of the [Specialist Education Services](#) which support schools to support pupils with different special educational needs.

The session will explore:

- How drawing can support children and young people to better understand their own feelings and other people's feelings in social situations
- Examples and practical ideas to build your confidence in creating and using your own comic strip conversations.

1st February 2023 **10am – 11am**

What parents have said about this session:

'Thank you so much, this has been incredibly helpful and supportive.'

'This was really useful, clear and simple and something I hope to use with my son. Thank you!'
