Drafting and finalising an EHC plan

SENDIASS is offering an online session for parents and carers exploring the process of drafting and finalising an EHC plan.

The session aims to help parents and carers who have had an EHC needs assessment agreed. Parents of children who already have EHC plans are also welcome, to build their confidence and understanding of what makes a good EHC plan.

The session is not appropriate for parents/carers who are thinking about requesting an EHC needs assessment. They may find our videos helpful.

The session will explore:

- The timeframes in the final stage of the EHC process
- How you and your child are involved in the drafting of an EHC plan
- What to look for in a good EHC plan
- Finalising the EHC plan

31st October 2023 6pm – 7:30pm
