Preparing for the transition to primary school

SENDIASS is offering a relaxed online session for parents and carers to support you and your child with the transition from an early year's setting to primary school.

This session was coproduced with parents and carers and will be supported by a member of Suffolk's Early Years and Childcare service.

We will explore:

- What information is helpful to find out from school
- What is helpful for you to share with school and what resources can help you to do this
- Ideas to help you prepare for the start of term
- Additional transition support for pupils with SEND

Anyone who registers will be sent a pre-recording of the session afterwards, to watch at their own pace, and with family members.

9th February 2024 10am – 11:30am
